## Safety Management Ltd

**COURSE TITLE:** PASMA – Prefabricated Mobile Access Tower User Training

**WHO SHOULD ATTEND:**

This course is aimed at employees who use or erect, alter, dismantle and inspect Mobile Access Towers as part of their working activities.

**AIMS:**

Each delegate will develop an awareness of the legal implications, common hazards and precautions, together with the correct inspection, assembly, use, and repositioning and dismantling procedures for Mobile Access Towers.

**COURSE CONTENT:**

Delegates will receive a combination of classroom based theory and hands-on experience in the following:

- Introduction to Mobile Access Towers
- Tower Assembly (using 3T method)
- Stability
- Safe use of Towers
- Repositioning Towers
- Tower Inspection
- Care and Maintenance
- Tower Dismantling (using 3T method)
- Regulations and Standards
- Practical Session

**CANDIDATE ASSESSMENT:**

Test paper and practical assessment

**QUALIFICATION:**

On successful completion of the practical session and test paper the delegate will receive a PASMA Certificate and Photo Card, both which are valid for 5 years.

**COURSE DURATION:** 1 day

**NUMBER OF DELEGATES:** Min 5. Max 12.

**COST:** £125 + vat per delegate

\* Open courses available in South Yorkshire for individuals/smaller delegate numbers.
